 The Seattle Hotel, Brighton Marina
 Thursday 11th January 2007
 17.45 for 18.20 start

What are your New Year's Resolutions?

BRIGHTON & HOVE
Chamber of Commerce

What are your hopes for 2007?

What do you want to do with your business?

What are your plans for your personal life?

The Comfort Zone training night will help you to clearly identify what you really want to achieve in business and at home.

More importantly you will understand what it will be like when you do achieve it. There will be activities, group work and plenty of opportunities to network. The night will be interactive, friendly and fun.

Find out where you are right now, where you want to be and how to get there.

You will leave with a surge in confidence, bags of motivation and the ability to turn your New Year's Resolutions into real goals. Make a positive difference to your business and get a boost to start 2007 off with conviction.
